Dear Dr Toma:

As discussed, I am enclosing a copy of FBIS Report JPRS-JST-84-076-L, 14 September 1984, Japan Report: S&T, Japanese Word Processing. This report, while not classified, is produced for official use only. Therefore, my delivery of the report to you is with the understanding that it will be used in conjunction with your contract with FTD on Japanese machine translation and will not be further reproduced or distributed by you.

I look forward to seeing you again. Please let me have your evaluation of the trans-tech data entry equipment as soon as you have it installed and have had an opportunity to do an evaluation.

Sincerely,
